

Dance Trilogy Team Contract 2022-2023

PURPOSE: The purpose of the Dance Trilogy Dance Team is to provide young dancers with an opportunity to participate in an activity and develop sportsmanship, character, and competitiveness, as well as; encourage high standards, and develop or increase skills in dance, responsibility, leadership and self-discipline. Participation on the Dance Team, as well as other extra-curricular activities, is a privilege, not a right. As a member of the Dance Team you represent our studio; and your conduct and actions in class, on the stage, and in the community should not deviate from the regulations and code of conduct set. Team members must show determination, dedication, and desire to be a productive member of this team.

- Responsible for your dances and your commitments
- Build up and treat teammates respectfully. This is a team.
- Sportsmanship: Your conduct reflects the whole team, community, and your studio.
- Competitions can be stressful. Be early. Be prepared.

MEMBERSHIP: To be on the performing team, members will need to successfully complete tryouts, have outstanding participation in dance practices and routine tryouts, maintain a highly cooperative attitude and follow the team Contract and Covenants. The quality of an individual member's participation and skill level will determine their place, if any, on the competition team(s). The final decision as to membership rests with the teacher(s).

- A. A ballet class and/or technique class is required for all dance team members beginning in 3rd grade.
- B. All members must pass a tryout to be a member of the Dance Trilogy.
- C. Members are notified in advance with the date(s) of tryouts for the team (typically June). These tryouts are not optional.

ATTENDANCE: All members are required to attend ALL scheduled practices and performances unless they have a legitimate excuse.

- D. You can be excused for up to 5 absences throughout the year (not per class, overall). A 6th absence will disqualify you from being on the team. Absences do also count in ballet class.
- E. Legitimate excuses include:
 - a. Physical injury, school scheduled (affects grade) event, illness, death in the family, or serious family business.
 - b. If you are not feeling well, but stay to watch class that will not be considered as an absence
 - c. Please note that even an excused absence could cost you a performance depending on the date and length of the absence. A team member who is excused from a practice or event will not be permitted to perform with the team until he/she knows the routine to the coach's satisfaction.
- F. Unexcused Absences
 - a. Work - you have plenty of notice to rearrange work schedules!
 - b. Doctor's Appointment - please schedule these on off days.
 - c. Couldn't get a ride, was grounded, had homework, didn't know about it, etc.
 - d. Or anything else not listed under excused absences
- G. Make Up Classes
 - a. You may be able to complete make up classes that will help with attendance.
- H. Members must attend all performances. Members must stay for the entire event to support other team members unless told otherwise by the teacher.
- I. Absences, whether excused or unexcused, that prevent a member from attending the practice prior to a performance will result in the member missing the performance.
- J. Late arrivals over fifteen minutes become unexcused absences.
- K. You must have a desired level of commitment not just for yourself, but for your ENTIRE team. Being on this team you depend on all your other team mates to be at practice consistently and do their part in having the knowledge of their routine. If at any time you are not doing your part as a productive member of this team you will be suspended from the Dance Team.
- L. At times parents do not realize the extreme commitment that we require. Nails, hair, birthday parties, etc. are **NOT** legitimate reasons to miss practice. If we want to be considered in the same way a sport is, we must act in accordance. A football player would not tell his coach he was missing practice for a birthday party!
- M. If the dancer must miss class due to being sick, please notify us as early as possible. Videos of the dance will be sent out. It is the dancer's responsibility to learn what they missed in class before coming to their next practice.

ONLINE DANCE CLASS: In the event that in-person classes are canceled, they may be held online on the same day and time as regularly scheduled. We understand access to a good internet connection may be difficult. Please communicate with us if this is the case.

- A. All team dancers are required to attend all of their on-line dance classes.
- B. Dancers must have their video on and be in view of the camera at all times during the class.
- C. Missed on-line dance classes will count as an unexcused absence.

PAYMENT: It is your responsibility to make sure that payments are made on time.

- A. All balances from previous years must be paid in full before your student is allowed back into class. All payment arrangements must be met, or your child will not dance.
- B. Please see your statement of estimated fees emailed in the fall or via your Parent Portal. If you prefer to pay in lump sums, please adhere to the following schedule:

Dance Trilogy Team Contract 2022-2023

- i. Costume payments – **DECEMBER 1ST, 2022**
- ii. All competition entry fees – **FEBRUARY 1ST, 2023**
- iii. You also have the option to pay equal payments of 9.5 months. This monthly payment would also include your monthly tuition. It is your responsibility to calculate and divide your yearly bill into 9.5 months. As a reminder, monthly tuition is added into your Parent Portal at the beginning of each month.
- b. For us to register for a competition, we must send in non-refundable entry fees 2 months in advance of the competition. Entry fees are charged per dancer, not per dance. Therefore, your dancer's entry fees are due when we register.
- c. Costumes are ordered in October for the season and are required to be paid in full at the time of order.
- d. The amount will vary for each child depending on the number of dances your child will perform.
- e. The fee can be drastically reduced with participation in fundraisers that we do throughout the year. We encourage this to also help with costume costs. It is completely up to you if you wish to participate in fundraising.
- f. You are responsible for the fees even if your child does not dance for any reason.

COMPETITIONS: All regional competitions are mandatory.

- A. There are 3-5 planned, mandatory competitions that involve traveling to places such as Lansing, Kalamazoo, Grand Rapids, Detroit, occasionally to Indiana or Ohio.
- B. An adult must be present with your child (excluding teachers) at this time. If staying overnight is necessary, it is the parent's responsibility to make arrangements.
- C. The dancer is required to be at the competition venue two hours before their scheduled time, or when the doors open, to compete. Late arrivals will not compete. Teachers need to work with and warm up dancers prior to stage performance. Allowing plenty of time is a huge benefit to your dancer and their mental state going into the competition.
- D. It is your responsibility to know how to do your dancers hair, make-up and costumes. If you do not know how, ask for help before competition.
- E. Bad attitudes at competitions are unacceptable. If you are performing poorly or are unhappy with events throughout the competition it is your responsibility to work through it. There is a time and place for everything. Most everything that can and, sometimes will, go wrong at competitions can be dealt with and fixed when we return to the studio.
- F. Most competitions and venues are following strict COVID-related health guidelines. This includes requiring all visitors and dancers to wear a mask inside the building. Dancers may have to wear masks while on-stage performing. Dancers and parents are expected to respect and follow competition and venue guidelines.

If you do have a problem we need to know to help resolve the situation.
